MESSAGE FROM THE PRINCIPAL 09.03.18

Dear Parents,

We are in the seventh week of term – the time is flying by!

LIBRARY - Our library has been changed back to the big community room at the front of the school. This room also has the laptops and computers for our IT lessons. Assemblies and Masses are also held in this room.

Thank you to our relief teacher, Ms Janine Roach, who sorted the books out for us, so now we have a tidy and useful library.

FR ERNEST - Fr Ernest has been away on his holiday. He is back this week. Please remember that as a Catholic Community we are expected to go to Mass. Mass times are Sunday's at 3.00pm in the chapel at school. All are welcome.

LENT - We are in lent time now. Lent and Easter are the holiest time of the year. Lent is a time for thinking about how to be better people with our families, our selves and with the community. We pray, we fast from excessive food and drink and we do good things for others. The students are learning about Lent at school. We will have a short Holy Week Liturgy on Holy Thursday 29 March at 11.30am. Please come in and pray with us.

LEARNING - Congratulations to all the students. There is some wonderful work going on in the classrooms. Students should be very proud of their efforts.

FOOD AT SCHOOL

Parents please do not allow your children to bring soft drink or food from the shop to school. We supply food for the students. Soft drink bad for your health, and the school promotes healthy eating and drinking.

GARDENS

Mr Danny and Mr Adam have started to upgrade our garden beds, and keep the place tidy. Mr Fish has been busy cutting all the grass each week. Thank you to these staff members who are making our school tidy and clean and a nice place to be. We have had 7 snakes in the school yard in the last couple of weeks. Please be careful around gardens etc.

TOAD BUSTING

We will have a toad busting evening with the students from Ms Joanna and Ms Jess's class on Monday evening 12 March. We'll ring the siren around 6pm. The students can come in for an hour and 'bust' some toads. It will be fun. We'll send them home around 7.00pm.

ATTENDANCE NEWS

Attendance has improved in the last two weeks. A big thank you to parents who are being responsible and sending their children to school. Thank you also to Tim and Lesley who are driving around in the morning to get the late comers. Tim and Lesley will not be collecting students all year. It is the parents job to get their children to school. Remember school starts at 7.00am with breakfast and learning starts at 7.30am. If your child is late, they are missing important learning each day.
