## News from the classrooms

### Middle Class

It has been a positive start to the school year for 2021. Mr M is partnered with Mr Timothy to lead and teach the class. There are 18 students on the roll but, to this point, the highest attendance on a single day has been 14.

The students have quickly adjusted to the daily class routine and have displayed an eagerness to learn. Our first class novel for the year was Roald Dahl's 'The Fantastic Mr Fox' which the students enjoyed listening to and completing comprehension activities. When the reading was completed, Mr M screened the movie and the rest of the school were invited to join in.

The excellent attitude of the students towards learning will allow Mr M and Mr Timothy to extend students in all subject areas.

2021 looks like being a very exciting year at Kururrungku Catholic Education Centre!

### Junior Class

Ms Lesley and Ms Danielle teamed up this year to lead the Junior class together. The children have made a solid start with their learning, and we couldn't be more proud of them. We have adopted the slogan peliCAN learners, to show that we CAN achieve when we work hard and keep trying. The Junior class have some fun and laughs along the way too, while making sure we work together safely, respectfully and helping each other.

Congratulations to Ashley (Junior), Revona and Tyrin, who have celebrated their birthdays this term! We look forward to welcoming all our families to come and see some

of our work in a few weeks' time on the day of the School Mini-Fete. We hope to see you there!

# Celebrating 200 years of Catholic Education

The senior class led a meaningful Liturgy, praying for the students and teachers of the past, and praying that Catholic Education will flourish in the future. We thanked God for God's blessings on our Catholic School. Then we had cake to celebrate Catholic Education in Australia's 200<sup>th</sup> birthday!

## Senior Class

The senior class love their maths. In this picture they are practising skip counting in 2's, 5's and 10's.

Many thanks to all the parents who are coming in and supporting their children. We have had a fabulous start to the year. We are planning to have 'OPEN CLASSROOMS' on Tuesday 30 March, followed by a mini-fete with the Op Shop opened. This will raise some funds for CARITAS AUSTRALIA who help out many poor people around the world. See you there!

Ms Naomi
